In September I started the Good News Clubs. When I asked the children in one game who was their favorite Bible character, most of them chose Esther. When I asked them why, they said it was because it was an exciting story. That was the reason why we started studying the Book of Esther. Through her life, the children saw how God was leading her. It seemed like everything would end badly, but God led everything to good. God looks after His children. May the Lord help the children believe him and put their trust in him.

In October we had a gathering of Baptists in Croatia. There, I had a chance to be with children aged 10 to 12 years. Our topic was "Joyful in hope". I was learning about Jeremiah with the children. They were very interested when they were listening to the story. Later we reviewed everything through a quiz.

Please continue praying:

- For children who attended the Christmas clubs
- For the funds needed for my salary and other expenses
- For my health
- For the car I need for my ministry

In October I also had a chance to share the Gospel with the children at the "Womens' Breakfast". Most of the children there are not from churches and it is their first time listening to a Bible story. They have many questions. They really enjoy the workshops and they like to revise and talk about what we heard in the lesson. One girl was thrilled when I handed out the "Story Time" lessons at the end. A week later, she sent me her answers.

In November we had a children's camp. There were 56 children. The topic was "Be Ready Like Noah". In the Gospel of Matthew we read that when the Lord comes back for us, it will be like in Noah's time. That was the message we wanted to convey to the children. We want them to love Jesus and be prepared for his coming. It was very interesting that we had a real experience of what it was like in the ark. We hold camps at an estate with a cow farm. We entered the farm and someone closed the door. As we were talking about Noah, the children could sense for a moment what it was like when you feel the animal stench, when you're out in the cold, shut in and without light. Noah did everything as the Lord commanded, even though other people were mocking him. He was preaching to others that the flood was coming. The children understood the importance of speaking to others about Jesus and his coming in the time in which we live.

On the last Sunday in November I had the first Christmas club. There were 12 children present. I am thankful to the Lord for the opportunity to be invited by the church in Belica. I am grateful for Dina who was helping me. This year our lesson was "The Christmas Picture". Through various pictures, we presented to the children what it was like when our Savior came as a little child. The children like to take part in the story, they like to sing Christmas songs, play different games, and participate in a quiz.

Thank you for your prayers and financial support!
